

Appendix B: Report Outlines

Appendix B1: Evaluation report

Appendix B2: Inception report

Appendix B3: Mid-term report

Appendix B4: Final report

Appendix B1: Evaluation report

[attached as a separate file]

Appendix B2: Inception report

Outline:

- (a) Introduction
- (b) Work undertaken
- (c) Summary of assessment of completeness
- (d) Summary of proposals received
- (e) Outline of general issues arising from the assessment of completeness

Appendix B3: Mid-term report

Outline:

- (a) Introduction
- (b) Progress on the due diligence assessment
- (c) Discussion of any issues arising from the due diligence:
 - General issues and issues common to all technologies
 - Issues concerning specific technology categories/sub-categories
 - Issues concerning specific proposals
- (d) Table 4 (Initial technology allocation of CCS proposals) and Table 5 (Initial allocation of RES proposals). Discussion of any issues which might arise regarding technology allocations early in the due diligence process
- (e) Table 6 (Geographical allocation of all proposals). Discussion of any issues which might arise concerning geographical allocation early in the due diligence process.
- (f) Any other issues that the EIB would like to bring to the Commission's attention, including any projects deemed not to have met the due diligence requirements.

Appendix B4: Final report

Outline:

- (a) Introduction
- (b) Work undertaken to complete the due diligence assessment and a discussion of key outcomes
- (c) Discussion of any issues arising from the due diligence:
 - General issues and issues common to all technologies
 - Issues concerning specific technology categories/sub-categories
 - Issues concerning specific proposals
- (d) All recommended deletions following completion of due diligence assessment
- (e) Table 7 (Initial ranking list for CCS Projects and CCS request for NER funding) and Table 8 (Initial ranking list for RES Projects and RES request for NER funding). Discussion of any issues arising in the creation of these lists.
- (f) Any particular issues the EIB would like to bring to the Commission's attention
- (g) Appendix: Project evaluation reports (format provided in Appendix B1)
